CONSTIPATION

... with which the majority of women suffer, can be
quickly relieved and permanently cured by the use of
that mild and effective remedy, SARATOGA COUNTY
ARTESIAN LITHIA SPRING WATER.

A customer writes:

It suits me; found almost instant relief; it has regulated the bowels, and I no
longer suffer from constipation; eat well, sleep soundly, and am free from pain.

A Newburgh physician says:

I have tried mineral water from many noted springs, but none of them meet the
indications of an ideal medicinal water; all lack the one much desired action which
yours possesses so strongly—that of ACTION ON THE BOWELS. It is the only
Lithia Water I know of which relieves constipation. I have long been looking for such
a combination in a genuine natural Lithia Water, especially one so highly charged
with natural carbonic acid gas. The majority of the members of my profession feel
likewise. As a member of several active medical societies I have heard many expres-
sions upon this subject, mingled with regret that such an ideal combination was not
apparently in existence. The Bromine and Iodine which your water contains greatly
add to its curative value, these two being the most important of the alterative (blood
purifying) drugs known to chemists. I firmly believe that it is only necessary for you
to make known to the medical profession the valuable medicinal properties of your
Lithia Water to receive their hearty indorsement. My enthusiasm is born of convic-
tion and knowledge of what we most need to successfully combat disease.

Order of your grocer or druggist, or send to us for a case. Descriptive
circulars mailed free.

40 WALES STREET,**RUTLAND, VT.****AJAX PILE CURE.****WARRANTED TO CURE PILES OR MONEY
RETURNED.****PRICE, - \$1.00.**

DIRECTIONS.—Having first washed the parts in warm water with a soft cloth, apply in the most convenient manner to convey a little vaseline with some of the dry powder sprinkled on it to the piles, anointing them well with it night and morning for three nights, then skip three nights. In most cases this will be sufficient, but in piles of long standing it will take from one to six packages to effect a complete cure if the above directions are followed. When a dry crust forms on the piles, it should be kept moistened with vaseline. The bowels should be kept open and an injection of warm water and white castile soap used once a day. Yours in health,

DR. H. A. DALRYMPLE, Rutland, Vt.

LITTLE'S WOOD YARD.

CORNER OF SCHOOL AND FOREST STREETS.

We are half afraid to mention prices. There are two reasons for this. 1st. We don't like to make our competitors sick. That's hard on them. 2d. You might think we were blowing, and that's hard on us. Dry hard wood, stove length, \$1.90. Dry Slabs, \$1.25. Green Slabs, 80 cents per cord. Jiggered Wood, 26 cubic feet, \$1.00. Sawdust, 3 cents per bushel. Not less than 30 bushels sold at one time. Say, friend, why do you hesitate on a bargain of this kind?

DID YOU EVER SEE THE EQUAL BEFORE.

Never! You want wood? Yes. You know a good thing when you see it? Yes. You are not afraid to invest in a sure gain? No, sir! Then, why don't you send for one of these big bargains? You are, eh? Sure! All right; leave your order on slate at yard or drop a postal card to me. "Promptness," is my motto, and a hustling dealer always guarantees his goods. \$5.00 cash for every one of these not worth the price asked, and one trial order insures continued custom. Isn't that guarantee enough. Here's my card:

A NEW DEPARTURE IN LEAD PENCILS.

EAGLE SIMPLEX PENCIL.

Patented, February 4th, 1896.

The superiority of this Pencil over the ordinary Pencil of the day will be readily seen and appreciated, for its convenience and simplicity will unquestionably make it the popular Pencil for all uses.

NOTE. By simply removing the wood with the finger nails you can obtain as long a point as desired. This obviates the use of a knife or any other method for Sharpening.

The lead contained in the EAGLE SIMPLEX PENCIL is of an unequalled quality and is made from the Purest of Graphite by a new and special process entirely our own.

The many advantages of the EAGLE SIMPLEX PENCIL will be universally conceded after a trial. With Rubber Eraser and Lead Pointing attachment, or without Attachment, in Black, Red, Blue and Green

Carbonate Acid Gas.....460.066 cubic inches

Density.....1.0115

Temperature.....52° F.

Respectfully, your Obedient Servant,

C. F. CHANDLER,

Professor of Analytical and Applied Chemistry.

### TAKE NOTICE.

No mineral water ever yet discovered by man possesses such quantities of reliable salts, and in such exact proportions, as this water, nor can any compound or even imitation compare with it. A careful comparison of the number of grains of these valuable salts to each gallon (of 231 cubic inches) with that of the most celebrated mineral waters known to man, will exhibit more definitely its specific virtues than anything we can say, and will enable the reader to judge with more certainty as to its valuable ingredients in the treatment of disease.

This Water is simply forced by the action of carbonic acid gas, up from a depth of 715 feet through a bore five inches in diameter, sparkling and cold at a temperature of 52 degrees, full of curative properties.

The deposit in this water is a natural mineral precipitate and disappears on opening.

SOLD IN BOTTLES ONLY.

BALLSTON SPA, N. Y.

We can furnish hundreds of testimonials from persons who have been cured by this water, but have space here for only a few.

### A FEW TESTIMONIALS.

In the year 1894 I was sick with Dropsy and Kidney trouble for over seven months and I doctored with Drs. Bissul and McIntosh of this city and they both gave me up to die. I bloated from 123 lbs. to 196 lbs. I was advised to drink your Hide Franklin Water, which I did and took no other medicine. The first week I lost 13 lbs. and in a couple of months I was well and have been since.

GEORGE WOODWORTH, 84 Earl St., Troy, N. Y.

Dated Sept. 4, 1897.

I know the above to be correct.

JOHN W. BRADY, 174 River St., Troy, N. Y.

In the year 1895 I was troubled with Kidney and Liver trouble. I was not able to walk and I was doctored here in Ballston, Saratoga Springs and the Albany Hospital. I was advised to drink your water, which I did, and I took nothing else and it cured me in a month's time, and I am enjoying good health to this day.
